

Court Allocation -Summer 2018

All coloured sessions indicate court PRIORITY. All white spaces are open court usage and available for use subject to the following conditions

1. Singles play has the same priority as Doubles play during 'open court' usage time
2. If all courts are full 1 set or 30mins per group before swapping in with players waiting to come on court
3. Court 1 should only be used when all other courts are full to reduce wear and tear.
4. When playing in social sessions and players are waiting or playing in a 3 then all other players should play the best of 7 games and then swap in.
5. Junior priority 16.30 - 18.30 weekdays
6. Senior priority 18.30 to 10.00 weekdays (includes Junior members with Senior status)
7. Courts 5&6 are to be used for all Burton/Staffs League matches on weekdays and weekends as required.
8. Committee will continue to monitor court usage and review priorities
